Phoneton Sanitary Sewer Update

As 2012 came to a close, so too is the Miami County Commissioner's Phoneton Sewer Project. The Phoneton Project began during the first quarter of 2012, and consisted of five (5) separate contract areas within the project itself. The five contracts are: Contract A covering the Phoneton area, Contract B covering the force main line connecting the Phoneton sanitary sewer system with the Brandt sanitary sewer, Contract C which will bring sewer to Wiley Industrial Park, Contract D creating a sewer line up SR202 and Contract E to the Bethel Local School building on SR201.

Based on the bids submitted to the Miami County Commissioner's, the five separate contracts were awarded to three companies; Underground Utilities was awarded Contracts A & C, Tom's Construction was awarded Contracts B & E and Sunesis Construction was awarded Contract D.

Construction on Contract A is in the final phase prior to startup of the system. Final work is being done to the pump station located on Wildcat Road. The County hopes that all pumps and electrical work will be completed by the end of January to begin operation of the line. Final paving around the Wildcat Road pump station will occur in the spring, but will have no impact on the startup and operation of the sewer.

Contract B is almost complete. The force main line between Brandt and Phoneton is complete and will be operational as each pump station in the project comes on line. Final work is being completed within Sunshine Mobile Home Park, and pending final work by electricians, plumbers and pavers, startup will be sometime in the first quarter of the year.

As many of you drive up SR202 from Wiley Industrial Park to the intersection of US40, you can see excavators installing the remaining sewer pipe for Contract C. The County anticipates a February startup for this portion of the project area.

Contract D is in the final stages of construction. The force main line has been installed, tested and approved. The pump station at Process Equipment Company will go on line in the spring, once final electrical connections are made. Final reseeding of grass in the installation area will be completed in the spring.

Contract E, the Bethel School line was completed as school was starting in August. The system has been in operation now for over five (5) months. The school no longer needs to operate the treatment plant behind the school, and is now fully serviced by Miami County water and sanitary sewer.

All sanitary sewer lines are owned by the Miami County Commissioners. The Miami County Sanitary Engineering Department operates and maintains these lines. Should you have any questions regarding the project, please contact the Miami County Sanitary Engineering Department at (937) 440-5653.

Phoneton Sewer Service Line Installation Assistance Available

The Miami County Department of Development has funds available to low and moderate income (LMI) homeowners to install a sanitary sewer service line from your household to the sanitary sewer mainline. The assistance will cover the cost of labor and materials to install the sanitary sewer line.

Bethel Township Zoning Commission (ZC):

The Zoning Commission met in regular session on November 29, 2012 to hear the following case:

ZA-02-12: A request from Phil & Kerry Jergens, 8015 State Route 571 to rezone a 2.536 acre tract of land from A-2 General Agriculture to R-1AAA, Single Family Residential and a 6.284 acre tract of land from A-2, General Agriculture to A-1 Domestic Agriculture

The Zoning Commission did not meet for the months of October or December.

The ZC meets on the fourth Thursday of each month at 7:30 p.m. in the Bethel Township Meeting Room.

Bethel Township Board of Zoning Appeals (BZA):

The BZA did not meet for the month of October, November, or December. No cases were filed.

The BZA meets on the forth Thursday of the month at 6:30 p.m. in the Bethel Township Meeting Room.

Public notice for both the Zoning Commission and the Board of Zoning Appeals meetings are posted in the news section of the Township web site at www.betheltownship.org, and in the Troy Daily News. Additionally, residents within 300' of the requesting property are notified by first class mail as per the Bethel Township Zoning Resolution and the Ohio Revised Code.

Reflective Street Numbers: Help Us Find You

Are the numbers on your mail box faded, disintegrating or nonexistent? Reflective address signs are highly recommended by the Fire Department to identify your address quickly. Reflective address signs are 6" x 18" with 3" numbers, these are the same materials used by road departments across the United States for street signs, and these can be mounted either horizontally or vertically. These address signs are available from the Bethel Township Firefighters Association for a donation of \$15.00. Please contact the Firehouse at 845-4274 if interested.

Bethel Historical Society Update

This winter, the Bethel Historical Society is offering a DVD produced as part of a local Eagle Scout project as a fundraiser. The DVD's cost is \$15 plus shipping. Please contact Lorna Furderer at Ljfurderer@aol.com or Jeannine Friend at friend_5490@msn.com for more information on the DVD.

Phoneton Sanitary Sewer Service Line Installation Assistance

Continued from Page 1...

Applications will be mailed in January 2013 to all households in the Phoneton Sewer Service Area. Please contact Nikki Reese at 937-440-8116 if you have questions on the upcoming application that will be mailed. Please call Jill Rhoades, Miami County Sanitary Engineer at 937-440-5653 if you have specific questions on the sanitary sewer system that is currently being installed.

Township Partners with DPL Energy to Offer Lower Rates

Continued from Page 1

The discounted price is a fixed rate of 6.25 cents per kilowatt-hour (kWh) and will be effective through your meter reading in May 2014. For a resident with typical usage of about 750 kWh a month, **this provides an annual savings of nearly \$300.**

To get this new, lower rate, simply grab your Dayton Power & Light bill and enroll on DP&L Energy's website at dplenery.com/community or call DP&L Energy at 866-838-6883.

If you are a Pioneer Electric customer, this program does not apply to you.

Questions? Call DP&L Energy at 866-838-6883, Monday through Friday, 8 a.m. to 5 p.m.
