

**Bethel Township Board of Trustees  
October 18, 2016  
Workshop Meeting**

**Administration**

**Administration**

**1: Access Engineering (Brice) with Phoneton Water Update**

Discussed the time line of the project and the financial course that will need to be taken.

**2: Open House review.**

The open house was a success. Residents enjoyed good food, Extrication exercise, Care Flight landing, and good company. The children enjoyed a bouncy house, decorating pumpkins, putting out a pretend house on fire with a real fire hose and water. And the first time event of painting the inside of the snow plows was a huge success.

**3: Levy Update**

We will be handing out flyers next week with factual information about the Fire Levy, and information about the spaghetti dinner that is being held on October 26<sup>th</sup> at the Fire House. There will be a presentation on the Levy.

**Adjournment 9:40**
