

**Bethel Township Board of Trustees  
April 19, 2016  
Workshop Meeting**

**8:30AM**

**Administration**

**1: Update on well testing in the Phoneton Area**

Trustee Hirt received his letter and results from the county on his two properties. Administrator Andy Ehrhart will contact county and get more information.

**2: Update on property purchase**

Administrator Andy Ehrhart reported that everything is moving forward, and that the title search was completed and he has a few more questions for the attorney.

**Fire Department**

**1: Discussion of staffing and SOP**

Chief Ehrhart reported that they will be having a meeting next week with the officers and the SOP'S should be handed out then.

**2: Fire Levy Info**

Chief Ehrhart reported that Trustee Vanhaaren and he met to discuss different ways to communicate to our residents the need.

**Road Department**

**1: Road survey report**

Administrator Ehrhart reported that Trustee Hirt and he drove the Township Roads and documented pot holes, berming, patching and other needs that will be prioritized. These items will be fixed when and if funds are there.

**2: Dead end of West Charleston**

Trustees, Hirt, Vanhaaren and Biggs all discussed with Administrator Ehrhart some ideas of how to improve that area.

**Adjournment 9:30**
