

**Bethel Township Board of Trustees
August 16, 2016
Workshop Meeting**

8:30AM

Administration

1: Fire Levy Update. Brainstorm Ideas

Administrator Ehrhart and Trustees discussed forming a levy committee, finding a treasurer and signage.

2: Discussion of Road Department

Administrator Ehrhart discussed future projects and scheduling of staff.

3: Street Lighting Assessments

Administrator Ehrhart told Trustees that the Fiscal Officer and himself will be working on getting the Assessment cards filled out and to the County by the deadline in September.

Road Department

1: Late night repairs - Options

Administrator Ehrhart discussed putting together a safety package which would be easily accessible to the Night time Fire Personnel. This way they can handle late night repairs of trees down and closure of roads.
