PUBLIC COMMENTS ON ANY TOPIC

Resident Michele Pfrogner asked for clarification on Resolution 20-07-060. Trustee Vanhaaren explained that Annexation is always a threat. We passed a 3.8mil levy and with that money, we put in infrastructure. That was one avenue to help. The Trustees and the Administrator discussed that they need someone with the skill set to move forward to create a plan and help facilitate negotiations so that the Trustees can continue to try to prevent annexation by keeping development within the Township.
