

Bethel Township Board of Trustees
October 20, 2020
Workshop Meeting Minutes

Admin:

1: Possible Alternate for Zoning Commission. Mr. Ehrhart stated that there was a potential candidate for an alternate to the Zoning Commission. It was discussed and decided that we should post on social media that we are looking for alternates to the BZA and Zoning Commission to give more people a chance to show interest.

2: Update on consultant work. Mr. Ehrhart stated that he has met with the consultant to further define the area in which we will be working. Also that they had done some preliminary work on planning out those areas.

3: Update on zoning cases. Mr. Arnold gave an update on the two BZA cases and two Zoning Commission cases coming up on Thursday.

4: Update on Coronavirus Relief Funds. Mr. Ehrhart and Fiscal Officer Watson gave an update on the funding received so far and potential uses for it. All the funds have to be spent by Dec. 31, 2020. There was discussion on utilizing a portion of the funds for Hazard Pay to the EMS personnel of the Township. The Trustees instructed Mr. Ehrhart to evaluate the hours worked by these employees and make sure there was a fair way to distribute the Hazard Pay.
