**ADMINISTRATORS REPORT**

**There are six resolutions on your agenda tonight.**

**The first Resolution is for the final step in placing the fire levy on the ballot. It is the resolution that goes to the Board of Elections.**

**The next item has been struck from the agenda. This is due to having to redo the intent resolution to the auditor for the police levy. The reason for this is: during the review process by the Miami County Auditor and Prosecutor’s office it was missed that the year the levy was first to be placed on the tax duplicate. It was not clear due to the fact that this is a continuing levy. After further legal review we have been advised to repeal the original resolution and pass one with a correction. This will require a new certification from the Auditors office which will be issued tomorrow. Lastly this will require a Special Meeting of the Trustees on Thursday July 29, 2021 at 5:30pm in order to pass the final resolution and get it to the Miami County Board of elections.**

**The next two resolutions are for resignations from the Fire Department. Alex Segretto is leaving us for a full time job in Fairborn and Mark Wysong has taken a position with Brookville Fire Department.**

**The next Resolution is to appoint Austin Hoffman to the Fire Department**

**The last two Resolutions are the ones I talked about earlier with the repeal and new Resolution.**

**PUBLIC COMMENTS FOR ITEMS ON THE AGNEDA**

Resident Julie Reese asked how often do we do mutual aid?

Fire Chief Andy Ehrhart said that we have been doing a lot of mutual aid recently. I will be making a phone call to their Chiefs to see what is going on.

**PUBLIC COMMENTS ON ANY TOPIC**

Resident Natalie Donahue heard rumors that Huber Heights bought land in Bethel. Have the Trustees heard anything? She heard that it was between Wildcat-Ross and Sullivan.

Trustee’s and Administrator Ehrhart stated they have not heard anything.

Mrs. Donahue asked if anyone looked at Huber Heights meetings on line?

Trustee Vanhaaren checks their meetings monthly, most legal conversations done in Emergency Meetings.

Mrs. Donahue asked “What do we do next? Seems like we are just letting this happen. Seems like we have no plan”.

Trustees said we can do nothing once property is sold and goes to Huber Heights with annexation.

Trustee Vanhaaren reviewed prior annexation of Township land. She also stated how rules are stacked in municipalities favor. We are continuing to look for ways to fight annexation, such as legislation through the Ohio Township Association, Facilities Planning Area and agricultural preservation.

Resident Julie Reese asked “What if a large group of land owners go together to buy land such as a consortium?

Trustee Vanhaaren stated that is only good if everyone holds up their end of the deal. She then referred to Beavercreek Township and their struggles.
