

**Bethel Township Board of Trustees  
December 21, 2021  
Workshop Meeting**

**Admin:**

**1: Wireless Presentation**

Representative from Daves Voice & Data, presented a wireless service for the Township. Discussion took place in regards of getting service to the sections of the Township that currently does not have any or has poor service. Will meet a again on January 18,2022 at our workshop meeting.

**2: Personnel Policy**

Gave Trustees an updated copy to look at and make any adjustments and we would discuss at next workshop meeting in 2022.

**3: Discussion on Bethelville drainage creek**

Trustee Don Black and Administrator Ehrhart walked the area in question. The creek is in good shape. Biggest problem creek is going into a 12-inch pipe. Next step will talk to Dan at the County of our findings.

Motion to enter into executive session, for the purpose of discussing personnel discipline issues.
