

**Bethel Township Board of Trustees
January 20, 2015
Workshop Meeting**

8:30AM

Administration

- 1: Brown Township is looking to create a website. Comments on helping them?
Administrator Andy Ehrhart will call and set a meeting with Fiscal Officer Art Brown.
- 2: Future Economic Development along the "40 Corridor".
 - In the process of identifying the large tracks both north and south of US Route 40 as well as along 202/201/Singer.
 - Contacted Vectren about possible gas extension. Awaiting a response.
- 3: Newsletter is complete and being delivered.
- 4: Update from Fiscal Officer on year-end.
 - When year-end is complete we will be working on permanent appropriations and update to the capital improvement plan.

Fire Department

- 1: Nighttime Schedule – New model to scheduling night time.
- 2: Nighttime Pay incentives explanation/comments.
- 3: We have applied for a grant for fitness equipment from 555Fitness. It is a 0% match for up to \$1,500.00

Zoning

- 1: Update on the BZA case on Overlook.
- 2: Update on new Zoning Board members.
- 3: Interest in adding a fee for structures built without a permit to the zoning code?

Road Department

- 1: Any pot-holes or problems noted?
- 2: We have used very little salt so far this year.
- 3: Plow trucks and other equipment are running fine.
