

**Bethel Township Board of Trustees  
July 15, 2014  
Workshop Meeting**

**8:30AM**

Administration

1: Water update

- MOU signed by County. Copy attached to agenda.
- Access Engineering will be working on engineering and cost estimates for the project.\

2: Review of cost estimates from Frank Gates for our enrollment in the Group Retro Program and the annual service fee from Frank Gates.

3: Ohio National Road Association. Do we want to continue our membership. Membership dues for us would be \$250. The Trustees discussed the benefits to the Township and decided there were none to warrant this expenditure.

Fire Department

1: Assistance to Firefighters grant update.

- Current application
- Next year

2: Our annual Pharmacy license has been renewed.

- Update on procedural changes as a result of new rules.

Road Department

1: Roadside mowing is behind. Mower was to be fixed by last Friday, however metal shop ran into a problem with pivot location. They stated it should be done today.

2: Road repairs

- Everything is under contract for storm repairs being contracted out. Will advise on timelines.
- Work on Scarff will begin as soon as we can catch up on roadside mowing.

Meeting Adjourned 9:10am
