

Bethel Township Board of Trustees
July 29, 2014
Workshop Meeting

8:30AM

Administration

1: Mulch Update

- E-mailed the company and they state we need a forklift to unload.
- Checked on forks for the backhoe. We would have to order ones that would have to be welded to the bucket. Trustee's decided renting would be a better option at this time.

Fire Department

1: Assistance to Firefighters grant update.

- We were denied the AFG grant for this year. We had asked for new cardiac monitors. We will ask again for the next grant cycle, Physio Control (manufacturer) has offered assistance to prepare the grant.

2: Assistant Chief position discussion

- Potential for replacing the "third" assistant chief position. Trustee's told Chief Ehrhart to move forward with the process of selection.

3: Discussion of new command vehicle

- The Trustee's instructed Chief Ehrhart to move forward in his research of vehicles.

Zoning

Discussion on billboard regulations. Jeff Green will be forwarding the new regulations to the Zoning Board to be discussed and approved.

Road Department

1: Roadside mower was repaired on Friday and is back to being fully operational and utilized.
