RESOLUTION DETAIL

RESOLUTION #24-02-023

A RESOLUTION OBJECTING TO THE ANNEXATION PETITION RECEIVED BY THE TOWNSHIP ON JANUARY 16TH, 2024 REQUESTING A TOTAL OF 296.236+/- ACRES OF LAND IN BETHEL TOWNSHIP, MIAMI COUNTY OHIO BE ANNEXED TO THE CITY OF HUBER HEIGHTS, OHIO

WHEREAS, the petition is for an Expedited II annexation, under Sections 709.021 and 709.023 of the Ohio revised code and the Ohio revised code, Section 709.023 requires the following:

(A) A petition filed under section 709.021 of the Revised Code that requests to follow this section for the special procedure of annexing land into a municipal corporation when, subject to division (H) of this section, the land also is not to be excluded from the township under section 503.07 of the Revised Code. The owners who sign this petition by their signature expressly waive their right to appeal in law or equity from the board of county commissioners' entry of any resolution under this section, waive any rights they may have to sue on any issue relating to a municipal corporation requiring a buffer as provided in this section, and waive any rights to seek a variance that would relieve or exempt them from that buffer requirement.

The petition circulated to collect signatures for the special procedure in this section shall contain in boldface capital letters immediately above the heading of the place for signatures on each part of the petition the following: "WHOEVER SIGNS THIS PETITION EXPRESSLY WAIVES THEIR RIGHT TO APPEAL IN LAW OR EQUITY FROM THE BOARD OF COUNTY COMMISSIONERS' ENTRY OF ANY RESOLUTION PERTAINING TO THIS SPECIAL ANNEXATION PROCEDURE, ALTHOUGH A WRIT OF MANDAMUS MAY BE SOUGHT TO COMPEL THE BOARD TO PERFORM ITS DUTIES REQUIRED BY LAW FOR THIS SPECIAL ANNEXATION PROCEDURE."

(B) Upon the filing of the petition in the office of the clerk of the board of county commissioners, the clerk shall cause the petition to be entered upon the board's journal at its next regular session. This entry shall be the first official act of the board on the petition. Within five days after the filing of the petition, the agent for the petitioners shall notify in the manner and form specified in this division the clerk of the legislative authority of the municipal corporation to which annexation is

proposed, the fiscal officer of each township any portion of which is included within the territory proposed for annexation, the clerk of the board of county commissioners of each county in which the territory proposed for annexation is located other than the county in which the petition is filed, and the owners of property adjacent to the territory proposed for annexation or adjacent to a road that is adjacent to that territory and located directly across that road from that territory. The notice shall refer to the time and date when the petition was filed and the county in which it was filed and shall have attached or shall be accompanied by a copy of the petition and any attachments or documents accompanying the petition as filed.

Notice to a property owner is sufficient if sent by regular United States mail to the tax mailing address listed on the county auditor's records. Notice to the appropriate government officer shall be given by certified mail, return receipt requested, or by causing the notice to be personally served on the officer, with proof of service by affidavit of the person who delivered the notice. Proof of service of the notice on each appropriate government officer shall be filed with the board of county commissioners with which the petition was filed.

(C) Within twenty days after the date that the petition is filed, the legislative authority of the municipal corporation to which annexation is proposed shall adopt an ordinance or resolution stating what services the municipal corporation will provide, and an approximate date by which it will provide them, to the territory proposed for annexation, upon annexation. The municipal corporation is entitled in its sole discretion to provide to the territory proposed for annexation, upon annexation, services in addition to the services described in that ordinance or resolution.

If the territory proposed for annexation is subject to zoning regulations adopted under either Chapter 303. or 519. of the Revised Code at the time the petition is filed, the legislative authority of the municipal corporation also shall adopt an ordinance or resolution stating that, if the territory is annexed and becomes subject to zoning by the municipal corporation and that municipal zoning permits uses in the annexed territory that the municipal corporation determines are clearly incompatible with the uses permitted under current county or township zoning regulations in the adjacent land remaining within the township from which the territory was annexed, the legislative authority of the municipal corporation will require, in the zoning ordinance permitting the incompatible uses, the owner of the annexed territory to provide a buffer separating the use of the annexed territory and the adjacent land remaining within the township. For the purposes of this section, "buffer" includes open space, landscaping, fences, walls, and other structured elements; streets and street rights-of-way; and bicycle and pedestrian paths and sidewalks.

The clerk of the legislative authority of the municipal corporation to which annexation is proposed shall file the ordinances or resolutions adopted under this division with the board of county commissioners within twenty days following the date that the petition is filed. The board shall make these ordinances or resolutions available for public inspection.

(D) Within twenty-five days after the date that the petition is filed, the legislative authority of the municipal corporation to which annexation is proposed and each township any portion of which is included within the territory proposed for annexation may adopt and file with the board of county commissioners an ordinance or resolution consenting or objecting to the proposed annexation. An objection to the proposed annexation shall be based solely upon the petition's failure to meet the conditions specified in division (E) of this section.

If the municipal corporation and each of those townships timely files an ordinance or resolution consenting to the proposed annexation, the board at its next regular session shall enter upon its journal a resolution granting the proposed annexation. If, instead, the municipal corporation or any of those townships files an ordinance or resolution that objects to the proposed annexation, the board of county commissioners shall proceed as provided in division (E) of this section. Failure of the municipal corporation or any of those townships to timely file an ordinance or resolution

consenting or objecting to the proposed annexation shall be deemed to constitute consent by that municipal corporation or township to the proposed annexation.

(E) Unless the petition is granted under division (D) of this section, not less than thirty or more than forty-five days after the date that the petition is filed, the board of county commissioners shall review it to determine if each of the following conditions has been met:

(1) The petition meets all the requirements set forth in, and was filed in the manner provided in, section 709.021 of the Revised Code.

(2) The persons who signed the petition are owners of the real estate located in the territory proposed for annexation and constitute all of the owners of real estate in that territory.

(3) The territory proposed for annexation does not exceed five hundred acres.

(4) The territory proposed for annexation shares a contiguous boundary with the municipal corporation to which annexation is proposed for a continuous length of at least five per cent of the perimeter of the territory proposed for annexation.

(5) The annexation will not create an unincorporated area of the township that is completely surrounded by the territory proposed for annexation.

(6) The municipal corporation to which annexation is proposed has agreed to provide to the territory proposed for annexation the services specified in the relevant ordinance or resolution adopted under division (C) of this section.

(7) If a street or highway will be divided or segmented by the boundary line between the township and the municipal corporation as to create a road maintenance problem, the municipal corporation to which annexation is proposed has agreed as a condition of the annexation to assume the maintenance of that street or highway or to otherwise correct the problem. As used in this section, "street" or "highway" has the same meaning as in section 4511.01 of the Revised Code.

(F) Not less than thirty or more than forty-five days after the date that the petition is filed, if the petition is not granted under division (D) of this section, the board of county commissioners, if it finds that each of the conditions specified in division (E) of this section has been met, shall enter upon its journal a resolution granting the annexation. If the board of county commissioners finds that one or more of the conditions specified in division (E) of this section have not been met, it shall enter upon its journal a resolution that states which of those conditions the board finds have not been met and that denies the petition.

(G) If a petition is granted under division (D) or (F) of this section, the clerk of the board of county commissioners shall proceed as provided in division (C)(1) of section 709.033 of the Revised Code, except that no recording or hearing exhibits would be involved. There is no appeal in law or equity from the board's entry of any resolution under this section, but any party may seek a writ of mandamus to compel the board of county commissioners to perform its duties under this section.

(H) Notwithstanding anything to the contrary in section 503.07 of the Revised Code, unless otherwise provided in an annexation agreement entered into pursuant to section 709.192 of the Revised Code or in a cooperative economic development agreement entered into pursuant to section 701.07 of the Revised Code, territory annexed into a municipal corporation pursuant to this section shall not at any time be excluded from the township under section 503.07 of the Revised Code and, thus, remains subject to the township's real property taxes.

(I) Any owner of land that remains within a township and that is adjacent to territory annexed pursuant to this section who is directly affected by the failure of the annexing municipal corporation to enforce compliance with any zoning ordinance it adopts under division (C) of this section requiring the owner of the annexed territory to provide a buffer zone, may commence in

the court of common pleas a civil action against that owner to enforce compliance with that buffer requirement whenever the required buffer is not in place before any development of the annexed territory begins.

(J) Division (C)(18) of section 718.01 of the Revised Code applies to the compensation paid to persons performing personal services for a political subdivision on property owned by the political subdivision after that property is annexed to a municipal corporation under this section; **AND**

WHEREAS, the Bethel Township Board of Trustees may object via resolution to the proposed annexation. **THEREFORE**

BE IT RESOLVED, by the Board of Trustees of Bethel Township, Miami County, that we object to this notice of petition for annexation of 296.236+/- acres for a variety of reasons as stated in the reasons below:

1: Per the Ohio Revised Code Section 709.023, the petition was not accompanied by an ordinance or resolution from the city of Huber Heights stating the services the municipal corporation will provide and approximate date by which it will provide them.

2: The plan for an additional 1,000+ units will result in an additional 900-1,200 students in our already overcrowded Bethel Local School District. This is a significant number of new students each year of development, equivalent to approximately 5 new classrooms per year. We have not seen any traffic studies for this area. US Route 40 is already a busy road – adding an additional 1,000 cars per morning and afternoon with no additional thought about traffic infrastructure (Do we need a left-hand turn lane at US 40 and SR 201? How will Flick Road handle the additional traffic? Will there be an additional traffic light at the new intersection? What about a left-hand turn lane @ US 40 and SR 202?). The trustees believe that these issues need to be addressed before the annexation petition should be considered.
